Dear Mr Kemp

Examination of the Nottinghamshire Minerals Local Plan – Inspectors Supplementary Questions

IGas Energy PLC (IGas) is writing in response to the Inspectors Supplementary Questions dated 6 May 2020 in respect of Matter 3 – Minerals Provision Policies, Policy 12, questions 44 – 49:

In response to the Inspectors Matters, Issue and Questions, IGas, along with Ineos and Egdon Resources, coordinated its response to Matter 3 through UKOOG to avoid repetitiveness and assist the Inspector in his examination of the Plan (Matter 3 Written Statement IGas and Matter 3 Written Statement UKOOG). This has similarly been the case in responding to the Inspector's Supplementary questions, Matter 3, Policy M12, questions 44 – 49. This letter confirms IGas's full support of the representations submitted by UKOOG and which are made on IGas's, Ineos and Egdon Resources behalf.

Yours sincerely
