Learning Disability Primary Care Liaison Team

Intellectual and developmental disabilities service

EASY READ

We help people with things to do with Primary Healthcare

“Primary Healthcare” means health services in the community, like:

- GPs
- Dentists
- Health Centres
- Opticians
- Chiropodists.

We work with health services

We help workers to support people with learning disabilities.

We work with people with learning disabilities

We help people get better access to primary healthcare services.

We work with carers

We help carers to learn about different health problems and where to get help.

- We do group work on different health topics.

- We work with GPs to make sure people are on the learning disability register and are invited for a yearly Health Check.

- We help Health Services to have health information that is easier to understand.

- We help health services think about people with learning disabilities when they make plans.

- We help people with learning disabilities to have fair access to health services.

- We work closely with other Health Services
