1. Looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).'
2. Children of members of staff who are employed by Chilwell School. This constitutes any adult employed on a permanent full or part time basis by the governing body of Chilwell School for two or more years at the time the application for admission is made OR a member of staff who has been recruited to fill a vacant post for which there is a demonstrable skills shortage.
3. Children who attend the Chilwell family of Schools (The Lanes primary school, John Clifford primary school and Rylands Junior School) who were on the roll at the time of application and who were still on roll on the closing date for applications. Within this category first priority will be given to those who will have a brother or sister attending Chilwell School at the time of admission. Where applications are received in respect of twins, triplets or children of other multiple births from the Chilwell family we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
4. Children not attending the Chilwell family of schools who will have a sibling attending Chilwell School at the time of admission. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
5. Remaining places will be allocated to the child who lives closest to the school. Distance is measured from the child's home to the entrance of the school (reception) in a straight line (as the crow flies) calculated using 'Google Maps Distance Calculator'.

Year 12

1. Looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).'
2. Pupils transferring from other schools who meet the school's minimum entry requirements (At least 40 places will be available for pupils transferring from other schools.)

In the event of there being more applicants than places available in 3 above, the deciding factors will be, in order of priority:

- (i) Whether there is a sibling on roll at Chilwell School at the time of entry to the sixth form. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
- (ii) Priority will be given to children who live nearest to the school as the crow flies (by straight line). Distance is measured from the applicant's home to the entrance of the school (reception) in a straight line (as the crow flies) calculated using 'Google Maps Distance Calculator'. In the event of two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body independent of Chilwell School.

Where applications are received in respect of twins, triplets or children of other multiple births from The Elizabethan Academy Linked Schools we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate. Following this, priority within the criteria will be given to those who live closest to The Elizabethan Academy with distance measure in the same way as for criteria 6.

Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
