Description of what the Equality Impact Assessment is for. (Do not use acronyms or jargon so that the title is easily understood by the general public.): Nottinghamshire Library Strategy, 2025-2035

Which document, report, Option for Change, Committee report etc. are the details set out in? (Please make sure the relevant report references this EqIA.) : Report to Overview Committee (21.11.2024)- Item 6. And Report to Full Council (Nottinghamshire Library Strategy, 2025-2035).

What are the aims of your proposed activity / policy? (Please keep to approximately 100 words.): The new Library Strategy will provide the strategic foundation for the sustainable, long-term development of the Council's library service. This document will set out the vision, priorities and actions that will underpin the delivery of the county's public library service over the next ten years.

Is a detailed impact assessment and consultation required?:No further information is required.

Please give reasons why a detailed impact assessment is not required.:No service changes are being proposed as part of the strategy. A 6-week public consultation was undertaken on the draft strategy; this was available via an online survey and as paper copies in the county's libraries. The results of the consultation showed overall support for the strategy. These were presented to Overview Committee, which provided unanimous support for the draft strategy. The consultation identified a number of small clarifications, which have been taken into account as amendments to the final version of the strategy (to be presented to Full Council for approval).
